MEETING SATURDAY

Virginia War History Commission to Hold Important Session

The colaborators of the Virginia War History Commission will hold a meeting at 10:30 o'clock Saturday morning in the rooms of the chamber of commerce. This meeting, it is announced, will be one of the most important meetings held thus far because of the fact that the data compiled by the local co-laborators will have to be submitted to the meeting of the state association in Richmond in the next few days. At the Richmond meeting a comprehensive report on the work accomplished by every organization in the state is expected, and Alexandria does not care to lag behind the other cities of the state in this important work.

Those who can furnish the colaborators any special information as to war work not yet in the hands of the committee it will be gratefully received.

Virginia Firemen Hold 34th Session

Welcoming Addresses Made by Mayor Fisher and John H. Trimyer—Responses by L. E. Lookabill, Dr. H. W. Battle and J. W. Morrison.

More Than 100 Delegates

Committees Appointed by President Ogden—Reports Submitted at Afternoon Session—Election of Officers and Selection of Next Convention City Will Bring Meeting to a Close.

With more than 100 delegates in attendance the thirty-fourth annual meeting of the Virginia State Firemen's convention convened shortly after 10 o'clock this morning in the auditorium of the Elks' Home. Kenneth W. Ogden, president of the association and chief of the Alexandria Fire Department presided.

The convention was opened with the playing of the "Star Spangled Banner" by the Citizens' Band while the delegates stood at attention. Invocation was delivedel by Rev. H. W. Battle, state chaplain, Charlottesville. In his prayer the chaplain asked the blessing of the Almighty on the volunteer firemen and the venerable chief Williams of Charlottesville.

On behalf of the city of Alexandria Mayor Fisher welcomed the firemen and, concluding his address, said to the firemen: "The city is yours—go to it." The mayor was given a rousing reception after his address. In welcoming the visiting fire fighters he told them of the many points of interest to be seen in Alexandria, some of which, he declared, were "sacred ground." He suggested a visit to the old Carlyle House, Christ Church, the Masonic Temple and also the industrial plants of the city and a visit to Washington's home.

Fond recollections of the good old days back in 1890 were recalled by L. E. Lockabill, Roanoke, state statistician, when on the menu card at the banquet for the firemen in Alexandria when the state convention assembled was Roman punch and Cabinet beer. Mr. Lockabill said this was the fourth convention held in Alexandria of the association, the first being in 1890, the second in 1904 and the third in 1910.

A glowing tribute to the excellent fire department of Alexandria was given in an address of welcome on behalf of the Alexandria Fire Department by John H. Trimyer. The speaker asserted he deemed it an honor to be selected to welcome the firemen on behalf of the Alexandria Fire Department, and he welcomed the visitors in their name. Continuing, Mr. Trimyer said. "There is no higher motive of patriotism than that of a volunteer fireman." The speaker told of the self-sacrifice of the firemen and their disregard for their own personal safety and comfort in order to help their fellowman. Speaking of the Alexandria Fire Department he said: "We all believe that the department cannot be excelled for its size and equipment by any in the United States," and, he added, it is 100 per cent efficient. Its efficiency was responsible for the small loss by fire, he said. He paid a tribute to Fire Chief Ogden, whom, he said, was honored by all of the members of the local department as well as those outside of the city.

"My train did not belong to the Virginia Volunteer Firemen's Association or it never would have been late ment with which Dr. Henry W. Battle, in the hour of need," was the state-chaplain of the Virginia State Firemen's Association, began his answer to the address of welcome delivered on the part of the Alexandria Fire Department by John H. Trimyer.

Dr. Battle stated that he had received a cordial invitation from the local department to deliver a short address at the session here today, the invitation reaching him last Monday. He added that he had been attending a religious convention, but that he had immediately wired his acceptance of the invitation and had made his plans accordingly.

Dr. Battle wore the uniform of the Charlottesville department and stated that he felt highly honored by being decked out in the insignia of the fire fighter for the first time and that he felt considerably promoted. Concluding his address, he re-echoed the sentiment expressed by Mr. Trimyer and extended to Alexandria, from Charlottesville, the home of Thomas Jefferson, a cordial response to the welcome tendered the entire contingent of visiting firemen.

President Ogden then announced the appointment of the credentials committee, whose duty was to examine the credentials and pass upon the eligibility of delegates and companies. The committee chosen consisted of Captain E. J. Lamb, of Hose Co., No. 4, Harrisonburg; A. R. Thompson, of Hampton and R. J. Jacobs, of Suffolk.

John W. Morrison, mayor elect of the city of Harrisonburg was then called upon to speak while the credentials committee was preparing its report and he gave one of the most interesting and appreciative talks of the entire morning session. In conclusion he said that he had found the latch-string of the city on the outside and that every visitor would go back home with nothing but best wishes for the Alexandria department and Alexandria and with nothing but the best recollections of the kindness and hospitality shown during the week.

The credentials committee then reported approval of the list presented them and President Ogden appointed the following committees: Committee on Officers' Reports; J. W. Seal, of Lexington; E. J. Hicks, of Charlottesville; Herbert A. Larner, of Staunton. Resolutions Committee; W. H. Vanderslies, of Newport News; A. B. Huddle, of Shenandoah; J. L. Fisher, of Waynesboro.

The secretary then read two communications that had been received one being from the national secretary, who expressed wishes for a successful convention here and asked that a delegate be sent to the national convention at Ft. Wayne, in 1922. The other communication was in regard to a legislative measure that Virginia firemen have been trying to get written into the laws of the state for several years.

The reading of the minutes were dispensed with. Resolutions of respect were presented for M. Wasserman, Jr., of Phoebus; William A. Kempton, Eagle Engine Co., No. 3, of Newport News; John Bayne, Reliance Engine Co., No. 5, of Alexandria, and Mayo C. Jackson, of Lexington.

The report of the state statistician was then read and the convention adjourned until 2 p. m.

Companies Attending.

With more than 500 names signed on the register at convention headquarters and fully a third not registered, conservative estimate placed the number of visiting firemen and delegates at not less than 700 at noon today.

Several companies were not fully registered. The men were suposed to registered. The men were supposed to ently was not entirely clear to all the visitors. The following is the list of companies and the number of men registered at noon today:

Harrisonburg, 125; Shenandoah, 40; Suffolk, 30; Charlottesville, 40; Staunton, 25; Richmond, 2; Hopewell, 2; Pulaski, 4; Lexington, 25; Hampton, 30; Eagle Engine Co., No. 3, Newport News, 26; Racine Co., No. 1, Newport News, 20; Luray, 25; Phoebus, 4; Clifton Forge, 10; Covington, band of 16 pieces and 40 men, making a total for this city of 56; Fredericksburg, 22; Waynesboro, 20; Gordonsville, 1; Norfolk, 4; Front Royal, 20. Total, 521.

According to advices received in this city today, several of the cities that have already registered a number of men expect to send more to the convention, and several automobile loads are already on the way, due to arrive here some time today.

L. E. Lookabill, state statistician of the convention, in his report submitted to the convention this afternoon set forth that only two fires worthy of note occurred in Virginia during the month of July, both at Norfolk entailing a loss of $62,000.

Afternoon Session

The afternoon session opened at 2:15 o'clock with prayer by Dr. Battle.

Chester A. Gwinn, this city, who was slated to deliver the memorial address, was unavoidably detained on business in Washington and Mayor Elect John W. Morrison, of Harrisonburg, was called upon to eulogize the memory of the four members who crossed the "Great Divide" during the past year.

When we think of them, said the speaker, we think of them as in life. We think of them rendering their duties to their communities. They went about their work, willingly without hope of reward—went into danger without thoughts of self—and our hope is that, some day, we may meet them in a better world.

"They set an example that is worthy of emulation—an example that will certainly receive its reward in another world.

All is summed up in three words—Life, Death and Immortality. Life is the time spent in this world, the opportunity to help others unselfishly. Death is but the passage from this world to another and immortality is the hope all of us have for the next world."

Parade Tonight

To Move at 9:30 O'clock—Band Concert at 8:30 p. m.

The local firemen's parade will be held at 9.30 o'clock tonight. Preceding the parade there will be a band concert which will take place at 8:30 o'clock in front of the Young People's Building which will be participated in by all of the visiting bands. The route for the parade announced in yesterday's Gazette will be adhered to. Eleven pieces of local fire apparatus will take part in the parade as will a large number of automobiles and floats. All of the machines will be decorated. A prize of $25 will be awarded to the best decorated motor vehicle in line.

At the request of Edward J. Shinn, chairman of the entertainment committee, C. M. Horgan, chairman of the committee on decorations, today named the following judges for the contest tonight on the best decorated vehicle: Mrs. R. M. Much, Mrs. Carroll Pierce, Mrs. Edgar Warfield, Mrs. C. E. Bradley, Dr. E. A. Gorman, A. K. Baker and C. Page Waller. The decision will rest with the majority of the judges. The judges will view the parade from the grandstand at the corner of King and Washington streets. No general rule of decoration has been decided upon.

CONVENTION NOTES

Hampton and Pulaski Companies were the first arrivals this morning on the Norfolk boat. The fire bells were rung to greet the visitors and a committee of firemen headed by the Citizens' Band met them.

Just as the lights were flashed on last night someone in the crowd remarked that the good Lord must have thought all of the firemen were Baptists for at that time a heavy downpour of rain started.

The local committee has been busy all day meeting the incoming firemen and the Citizens' Band also has been on the job every minute.

The Maryland and District of Columbia Fire Departments with apparatus will be here tomorrow. From Maryland will come companies from Annapolis and Hagerstown. Three pieces of apparatus will be from the District Fire Department and seventy men.

Many of the visitors and wives of the firemen are here for the convention.

The "barkers" are busy. The balloon man is again in evidence.

Badges galore are being worn by the firemen.

The hotel committee has been kept busy handling the situation. Accomodations have been secured for all of the visitors without much trouble.

Many prettily decorated machines will take part in the parade at 9:30 o'clock tonight.

The local fire apparatus is all dressed up for the parade tonight and looks pretty nifty.

The local firemen are seeing that the visitors enjoy themselves while here.

The firemen are loud in their praise of the lavish decorations along King street.

The stores will close at 4 o'clock tomorrow afternoon in order that the employees may see the big parade which begins at 4:30 o'clock.

Hundreds of visitors from the neighboring counties and many from Washington are expected here for the parade tomorrow afternoon.

The masque carnival tomorrow night promises to be the feature of the festivities. The firemen are looking forward to a big time at this affair.

An interesting souvenir of old time conventions today was exhibited to the writer by L. E. Lookahill, of Roanoke, state statistician of the association. It is a program of the firemen's convention held in Alexandria June 5 1890, at the Braddock House. On the program for the banquet was Roman Punch and Cabinet beer. The late T. Carlin Creighton, of Alexandria, was president of the association.

The lights for the firemen's convention were flashed on at 9:30 o'clock last night. These lights are on King street from Fairfax to the union railway station and also on Washington street between Cameron and Prince streets. As the lights were turned on by Fire Chief Kenneth W. Ogden, the Citizens' Band played, the fire bells rung and the motor fire apparatus came out and noise making prevailed for half an hour, the fire apparatus let loose their sirens. Thousands of persons lined King street and hundreds stood in front of the fire chief's office.

King street presented a pretty picture with its hundreds of tiny incandescent bulbs illuminated and the flags and pennants from the cross wires fluttering to the breezes.

Just about the time the lights were turned on a nasty drizzling rain started which afterward turned into a steady downpour that caused the throng to hurry home. Soon the street were deserted as a result. These lights will be on every night till the convention close.

The sun shone brightly today bringing gladness to the firemen in charge of the convention.

Rev. Dr. E. B. Jackson and President of the Board of Aldermen F. P. Marbury were honored guests at the convention occupying seats on the stage.

The Washington Fire Department was represented at the convention by Battalion Chief C. W. Gill and Supt. of Machinery T. W. Robinson. Chief Gill says he will have sixty men here and three pieces of apparatus for the parade tomorrow afternoon.

Mrs. B. B. Smith and little grand son, Thurman Bragg Smith, are visiting Mrs. Smith's son in law and daughter, Mr. and Mrs. J. H. Harris, at their home on Villa Heights, Roanoke.

Some Bad Man

Police Receive Letter Telling of Alexandria Negro in Pennsylvania—Town Who Boasts of Murder Here

A letter addressed to "Officer of the Law" yesterday was received by Chief of Police C. T. Goods postmarked Leckbury, Pa., and unsigned. The writer, evidentially a colored man, in his own peculiar language tells the authorities there is a "bad man" employed where he works who boasts that he killed a colored man in Alexandria several years ago and impresses on his fellow workers that he is "dynamite." The writer advises the officers to come at once and get the "bad man." No such murder as the "bad man" brags of occurred here according to the police. The authorities are inclined to think the negro is a "bully" who is using the story to intimidate his fellow workers.

Venerable Chief

J. T. Williams, of Charlottesville, Here

The commanding figure of Chief J. T. Williams, of the Charlottesville Fire Department was here today at the firemen's convention. Chief Williams bears the distinction of being the oldest active volunteer chief in the world. He is 88 years old and for sixty-four consecutive years has been an active firemen. Chief Williams has attended every convention ever held by the association except one. The Charlottesville firemen feel proud of their venerable chief.

WELCOME FIREMEN!

Alexandria greets the hundreds of visiting firemen within her gates with open arms. The city feels justly proud of her visitors and the citizens of Alexandria have spared nothing to make the sojourn of the firemen a most pleasant one.

The Virginia firemen are a fine lot of fellows and worthy of the best we can furnish them. They are the men who look after our safety both day and night. Most of the firemen are volunteers who leave their work either day or night in case we are threatened by that terrible monster fire. They fight fires, regardless of their own safety and many times at the risk of their lives in order to help their fellowman.

Let us all, therefore, join in giving these boys the time of their lives while they are within our city. That this will be done goes without saying on the part of the firemen and Alexandrians generally and let these visitors when they return home report that the thirty-fourth annual convention held in good old Alexandria surpassed any convention ever before held in the history of the Virginia Firemen's Association.

AMERICANS WIN OLYMPIC GAMES

As usual, American contestants have by far the greatest number of points in the revived Olympic games, but their honors are not quite so conspicuous since they captured fewer firsts than usual. This is declared to be because the best men were not sent abroad, and that many arrived handicapped by long seasickness, while the weather has been atrocious.

Never mind! We have won at a time when sporting events are overshadowed by the aftermath of the Great War. This refers only to the track and field events, which are concluded, but remaining contests cannot affect our lead. It is curious to note that once more the Scandinavian countries hold second and third places and between them just to pthis country. The British Empire ranks third and the Greeks did not show at all, owing to domestic conditions.

Of the nations which were known in the Pericean age, which represented the highest intellectual, artistic and physical culture of the world, not one was represented in the contests this year, unless Italy be excepted. Mesopotamia, Greece, Egypt, and Armenia, with all their ancient honors and their recent participation in a world war, have other things on their minds at present. Yet it is one of the great hopes of the last five years of history that these nations are to become forceful factors in the future history. Perhaps the Olympiad of 1924 will show a "come back" of the original winners.

TO AUGUST

Fair August, we regret to find
that thou art slipping fast behind.
Could we but have the tarry here,
'twould add new beauty to the year.
For thou hast brought us pleasant days and benefits in glad arrays;—
the shining sun, the cooling breeze,
potato bugs and buzzing fleas.
Mosquitos follow in thy wake and bite a bit for summer's sake; so also does the bizzing fly remember thee, and tarry by.
Fair August, 'tis with saddened heart we see thee hasten to depart, for thou hast brought refreshing nights, and onions and mosquito bites.

PRINCESS BETROTHAL TO GEORGE CONFIRMED

COX PROMISES PROOF

Dayton, Aug. 25.—A subpoena will not be necessary to get Gov. James H. Cox to appear personally before the Senate subcommittee investigating campaign funds if his presence is insisted upon, the Democratic Presidential candidate declared today.

If Gov. Cox does not expect to be called upon to take the stand after he has made public his evidence in a speech and communicated it to the committee. If the committee still should desire him to appear before it, however, he said he would be glad to respond.

The governor said that in his speech at Pittsburgh Thursday night he will give to the country the evidence he has in support of his charge that the Republicans are raising a "slush" fund of at least $15,000,000 to buy the Presidency. He spent all of today assembling his data.

In a formal statement commenting on Senator Harding's denial of the "slush fund" charge, Gov. Cox declared flatly his Pittsburgh speech will prove his charge.

Replying to yesterday's telegram from Senator Kenyon, of Iowa, chairman of the investigating committee, the governor wired last night that he would supply the committee with sources of information.

Martinsburg, W. Va., Aug. 25.—The various Masonic bodies of Martinsburg are getting together on a proposition to erect a Masonic temple in this city to cost at least $100,000.

VIRGINIA NEWS

Fredericksburg—Lightning during a recent storm severely burned C. J. Spicer, of Hanover county, and tore the shoes from his feet. The crystal and hands of his watch were melted. Mr. Spicer was in his house when the lightning struck. His family was stunned. A dog was killed

Winchester—It developed today that neither Mayor elect W. W. Glass, nor any of the six city councilmen, who were elected last June, have qualified in court. This is required by law before they may enter upon their duties September 1. There will be no regular term of the corporation court until September 20 and the city may be without legislative or administrative government for at least 20 days unless some way out of the dilemma is found.

Charlottesville—While attempting to cross Moorman's River ,one mile from Free Union, Monday, William R, Crenshaw, a veteran mail carrier, was drowned. His body was found yesterday about one half mile down the river. His horse and wagon were discovered in a deep hole. The mail pouch is missing. Mr. Crenshaw was 70 years of age. He is survived by four sons and one daughter.

Danville—W. Landon Robertson, employed in a local store, saved John Johnson, aged 19, from drowning at Wrightsville Beach last Thursday. Landon, who is a world war veteran, was driving an automobile along the beach when a woman's screams directed his attention to the drowning youth. He rescued him after a struggle.

Winchester—Benjamin Smallwood, 58 years old, retired Clarke county farmer, killed himself yesterday by shooting through his heart with a shotgun while in the garden at his home in Berryville. He probably discharged the gun with a stick. Relatives and neighbors, hearing the explosion, found him dead at a large wound in his side. Worry over money matters was the probable cause. Surviving are a widow, one son, one daughter, and several sisters and brothers, among the latter being Sheriff William M. Smallwood.

Danville—Chief Revenue Agent Samuel R. Brame's small army, which for two weeks has been encamped in Franklin and Patrick counties, has completed its work and the men have been assigned to other fields. During the past fortnight the officers cut up over 50 stills, poured out 300 gallons of liquor and several hundred gallons of mash.

VIRGINIA FIREMEN HOLD 34th SESSION

(Continued from page one)

business was disposed of after which President Ogden called for resolutions and outlined the program prepared at the caucus held in the Chamber of Commerce rooms last night

A. R. Thompson ,of Hampton, presented a resolution asking that a custodian be appointed to take charge of the association service flag.

On vote the by laws were ordered amended, creating the office of permanent custodian for the flag.

This flag contains 525 stars of firemen who served during the world war, thirty of whom made the supreme sacrifice and thirty five of whom were injured.

A resolution looking toward the bringing of many companies into the association who are not now members, was introduced by two visiting delegates.

During the progress of the parade tomorrow afternoon the Washington Fire Department will give a demonstration of the aerial ladder raising at the corner of King and Washington streets. The idea of the demonstration is to show the differences between hand raised and modern mechanical devices.

BRITISH LABOR FAILS TO BACK UP SOVIET

London, August 24.—British labor, upon which the Russian soviet has counted, failed tonight to take up the challenge Premier David Lloyd George hurled at it from Lucerne at the close of his meeting with the Italian premier, Signor Giolitti, yesterday.

After a meeting lasting all day, the British "soviet" council of action adjourned late tonight to meet again tomorrow without arriving at any attitude toward the declaration of the British and Italian premiers that their bolshevist friends cannot be trusted.

Looks Fifteen Years Younger

Her Relatives Gave Up Hope of Mrs. Taylor's Recovery—Tanlac Proves Merit.

"A few weeks ago my friends and relatives didn't expect me to live much longer but now they are all telling me that I look fifteen years younger," said Mrs. Minnie G. Taylor, 310 21st street, Hunigton, W. Va., while telling of her wonderful recovery to a special Tanlac representative who had heard of her remarkable case and had called to ascertain the facts.

"During the past year I have suffered more than words can express and I just hate to think of the terrible condition I was in," she continued. "I was so bad off I spent much of my time in bed and when I did manage to be up it was an efort for me to get around at all. My digestion was so extremely poor that I was almost afraid to touch a bite and when I did eat anything it was through force. I suffered untold agonies after eating and I felt so nauseated I could hardly breathe. Nervous spells often came on me and I couldn't sit still one minute and I lost so much sleep I was on the verge of a complete breakdown. I tried so many medicines without getting relief, that I almost gave up hope and my friends and neighbors said if something wasn't done right away I would not last much longer.

"Finally one of my friends who had been taking Tanlac advised me to try it as it had done her so much good. Well, I took her advice and as long as I live I will bless the day I began taking Tanlac for it is nothing short of remarkable how this medicine has built me up from a nervous wreck to a well and happy woman. My appetite is just fine and I can digest anything I eat without the slightest trouble at all. My nerves are just as steady as can be, and I am sleeping soundly every night. I have new life and strength and I will never be able to pay the debt of gratitude I owe Tanlac, for it has been one of the greatest blessings of my life."

TANLAC is sold in Alexandria by Edgar Warfield, Jr.

Is Your Blood Starving For Want of Iron?

Without Plenty of Iron In Your Blood You Don't Get the Strength and Nourishment Out of the Food You Eat

When over-work, lack of sleep, improper food and impure air sap the iron from your blood and make you feel weak, nervous, irritable and out-of-sorts, it is important that you should at once put more iron into your blood. Without iron the blood loses the power to change food into living tissue and therefore nothing that you eat does you the proper amount of good because you don't get the full strength out of it. Your food merely passes through your system like corn through a mill with the rollers so wide apart that the mill can't grind. Because of this steady starvation of the blood and nerves people often become weakened, tired-out, nervous and rundown and frequently develop all sorts of symptoms. But the moment organic iron—Nuxated Iron—is supplied a multitude of dangerous symptoms disappear in most cases, the flesh becomes firmer, the muscles get back their strength and the roses of health bloom in cheeks that were pale and sickly looking.

No matter what other so-called remedies you may have tried, if you are not strong, vigorous, hearty and well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next, take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. You can obtain Nuxated Iron from your druggist on the distinct understanding that if you are not fully satisfied your money will be refunded.

IS IT "JUST A COLD?"

Alexandria People Should Ask Themselves This Question.

Don't say: "It's just a cold."

It may turn into backache, rheumatic aches, achy joints.

Or other serious sickness that comes from weak kidneys.

Colds are due to congestion.

Congestion makes the kidneys over work to filter the blood.

Colds often leave the kidneys weak.

First break the cold;

Then use Doan's Kidney Pills to avert the kidney dangers.

Let this Alexandria resident tell you about them.

Mrs. Walker Campbell, 707 Pendleton St., says: "I caught a cold and it settled in my kidneys. I had such pains I could hardly catch my breath sometimes. When I bent over it was hard to straighten again, the pain was so bad. My kidneys acted very irregularly esepcially at night. I got Doan's Kidney Pills at Duncan's Drug Store and took them according to directions. I was entirely cured and, thought that was over two years ago, I have had no return of kidney trouble since."

Price 60c at all dealers. Don't simpy ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Campbell had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

DODSON SOUNDS CALOMEL' DOOM

The 'Liver Tone' Man Warns Folks Against the Sickening, Salivating Drug

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you lose a day.

Calomel is mercury! When it comes into contact with sour bile, it crashes into it, breaking it up. Then is when you feel that awful nausea and cramping. If you are sluggish, if liver is torpid and bowels constipated or you have headache, dizziness, couted tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous, go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it can not saivate or make you sick.

Goodyear Mileage—and Tires for Small Cars

A well built tire yields much more mileage for each dollar of cost than a tire purposely made to be offered at a sensationally low price; buy the tire, not the price.

Built to deliver exceptional mileage at exceedingly low cost, Goodyear Tires, of the 30 x 3-, 30 x 3½- and 31 x 4-inch sizes, save inconvenience, disappointment and money.

Their value results from the application of Goodyear experience, expertness and care to their manufacture in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—for the real worth and endurance that Goodyear builds into them.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread $23.50

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x [illegible] in waterproof bag $4.50

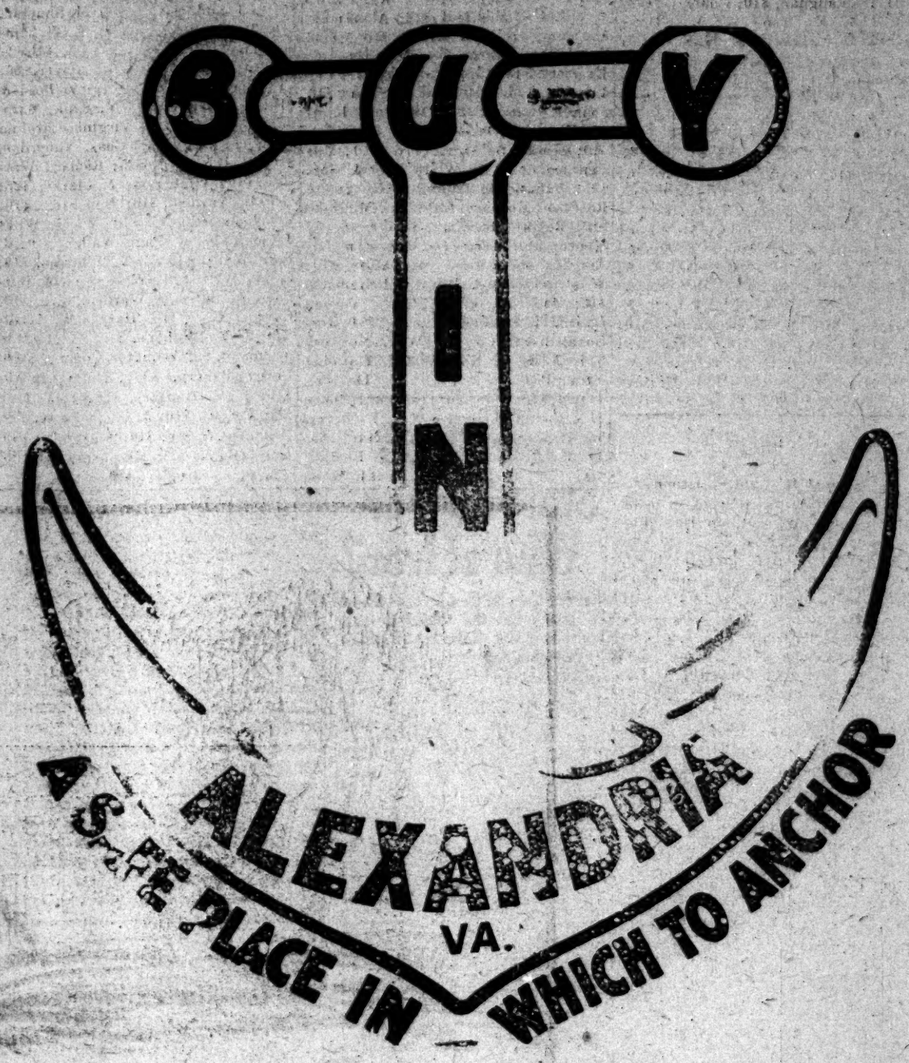
Buy In Alexandria

The Closer at Home You Keep Your Dollars The Quicker They Will Get Back to You

Don't make any mistake and consider that it will not make any difference whether you spend your money in this city or send some away. You may have fond hopes of saving on your purchases but when due consideration is given to all expenses attached your investigation will show that this is not the case. In fact you will discover that instead of being benefitted that your purchases have cost you more than you would have paid for them here as under all conditions.

YOUR DOLLAR IS WORTH MORE IN ALEXANDRIA THAN ELSEWHERE AS FAR AS ITS PURCHASING POWER IS CONCERNED BOTH IN VALUE AND SATISFACTION



Alexandria Can Prosper Only so Far It Receives the Undivided Support of the Residents

Flourishing industries and up-to-date mercantile establishments are the life of any city. This city has reason to be proud of those that are located here. The growth of this city depends upon the support given its industries. If mechanics seek work in other cities, it is a handicap to those that are located here. If our residents send to distant points for merchandise, they are not assisting in the growth of Alexandria as they should.

IF OUR CITIZENS WILL BE TRUE TO THE INTEREST OF ALEXANDRIA, ITS GROWTH WILL BE SURE AND CERTAIN AND THEIR PROSPERITY AS WELL WILL BE ENHANCED

Your Dollars Belong In Alexandria---There Exists No Logical Reason Why You Should Send Them Away---Buy in Alexandria at All Times

Regardless of your duty in patronizing the merchants in this city, it is to your advantage from every standpoint to do so.

There is not a single sane reason why you should go beyond the borders of this city for goods of any nature.

Our stores are well stocked, the stocks carried are of the highest quality and in as extensive a variety as can be found in cities much larger than this. Our merchants recognize the need of quality stocks and this is the foremost aim.

Price can not make it desirable either. A comparison of the quality sold in this city and the prices asked with the prices published by the out-of-town concerns and the quality of the merchandise handled by them will show that price advantage calls for purchasing in this city.

It is thoughtlessness and a lack of consideration to one's own interests that works a hardship locally when goods are purchased out of the city that should be bought here.

Your dollars do double duty when spent here. Not only will they purchase more here, but in remaining in this city they help to make our stores better. Patronize Alexandria merchants. Make their volume of business as large as possible. This will encourage them to continue in their efforts to supply you with the best obtainable and at reasonable prices.

Be fair to the merchants in this city. Help them and they will help you. Your prosperity depends upon their success. Thus in helping them you are also aiding yourself.

POLES TRIUMPHANT OVER RED ARMY

(Continued from Page One)

vik Divisions have been smashed and all of the Fifty-fourth Division have been taken prisoner.

The Fifth Polish Army alone, operating on the northern front, has accounted for more than 20,000 prisoners, including the staff of the Eighteenth and the Fifty-fourth Divisions, says the communication.

The military authorities announce that the various government districts of Poland, with the exception of Suwalki and Grodno, have been virtually cleared of the Bolsheviki.

Many Red detachments have been cut off from retreat and are gradually being gathered in. Peasants, armed with hunting clubs and scythes, are assisting the Polish soldiers in the process of cleaning up.

Washington, Aug. 25.—As a result of the capture of Polish troop of Bialystok and the adjacent railroad junction, the Bolshevik army in that vicinity has been cut off, the Polish Legation was informed today in an official cablegram from Warsaw.

Complete defeat of the Bolsheviki army, which was retreating without resistance, was also reported in the advices which announced the taking of a total of 70,000 prisoners.

Thousands of prisoners are being captured daily, it was said, and are being brought in "by peasants armed with scythes."

The military spoils already taken from the Bolsheviki were described in the official advices as "great."

Now the whole family can go out on a Summer evening

I

[illegible] woman should care [illegible]ful for the automobile. It has given them a chance to see a lot more of their husbands.

II

But it has done a great deal more than that.

It has brought people closer together, given them new interests, swept away old prejudices.

What affects one man now generally affects a good many of his neighbors in the same way. And they have a better chance to get together and talk things over.

III

It's had its effect on the tire business.

When automobiles were new people were willing to buy any kind of a tire. Now they're beginning to insist on *knowing what they are getting.*

And the more they insist, the better it will be for us.

IV

We want our customers to know what they are getting.

That's why we represent U. S. Tires—so there will be *no doubt* about it.

Whatever the size of your car, you know that the U. S. Tire you put on it is the *best kind of tire* its makers know how to make.

U. S. Tires are guaranteed for life, *without any limitation* of mileage.

That ought to mean something to the man who has thought about tires.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—*everywhere*—U. S. Royal Cords.

GREASE SPOTS AND STAINS

Quickly and Easily Removed

Heavy clothes used to be mighty hard to wash. It took lots of rubbing on a miserable old scrub board to get out grease spots and stains.

But no more. The easy Clean Easy way of washing not only removes all dirt, but it takes out grease and stains. Without rubbing or scrubbing on your part at all.

Simply soak the clothes overnight. Shave ½ bar of Clean Easy Naptholeine Wash Soap into 4½ gallons of water. Bring to boil and let soap dissolve. Put in clothes and stir for only ten minutes with a stick. Rinse, blue and dry. Your whole week's washing is clean, sweet and wholesome. You haven't done a bit of hard, distasteful work.

Doesn't that appeal to you? Did you ever hear of a quicker, easier, more economical way to wash clothes? And such a sensible way—The boiling water kills all disease germs and protects your family. Clean Easy can't hurt the clothes.

Try Clean Easy today. See how much it will help you. Your hands will stay white and soft, for you don't rub them raw on a scrubbing board. You'll find that you feel better, because you don't have to break your back over a tub or get wet and miserable from sloshing in the water.

Women everywhere are enthusiastic over the comfort, convenience and economy of the Clean Easy way of washing. You will be enthusiastic too, once you try it. Ask your grocer for Clean Easy today. Notice how different it looks. Be sure and follow directions on the inside of the wrapper.

You Can't Help But Find Out

That the way we clean, press and dye garments of all kinds will more than meet your every expectation

Why Itch and Burn With Skin Diseases?

There is a Way to Get Rid of the Torturous Suffering.

Terrifying skin irritations, eczema, tetter, boils, pimples, etc., have their origin in a disordered condition of the blood. They come from a colony of tiny germs which get into the blood and multiply by the million.

Lotions, salves, ointments or similar treatment cannot possibly reach the source of the trouble, which is the blood.

When any of these symptoms appear you should take prompt steps to rid the blood of the germs which cause them. And the one remedy which has no equal as a blood cleanser is S. S. S., which is sold by druggists everywhere.

Begin taking S. S. S. today, and write to our Chief Medical Adviser, who will give you special instructions without charge. Address Swift Specific Co., Atlanta, Ga.
